

### DIRECTIONS TO DARSHAMS FARM

From Bury St. Edmunds head in an easterly direction along the A14 and take the Wetherden and Haughley Park slip road (Junction 47A), continue along and take the second turning on your left into Wetherden village.

Proceed straight over the crossroads passing by a primary school on your left and a church on your right. As the road bears right leaving the village for Bacton, take a left on 'The Street' towards "Uppertown", proceed for approximately 1 mile under a Railway Bridge (12'9") - Darshams Farm can be found on your left hand side.

First Left if in a Car, vans / Lorries follow road past 1st entrance and take left turn towards "Byway" follow lane and take left through white gates.

### IF IN LORRY OVER 12'9"

From Bury St Edmunds as above on the A14, take junction 47 towards Ixworth, head for Elmswell.

Once entering Elmswell, take left turn towards Rail Station / Grove Indus. Estate, go over crossing through Village and take right onto Grove Lane.

Follow this lane (although gets quite narrow), go past Industrial Estate. The road will wind until come to a T junction. Take a right turn towards Wetherden. Follow road through a small Hamlet (unnamed) passing houses on both sides of the road. As leaving the hamlet, you will come to a cream house on your right with a vibrant green hedge aside a sign for "Byway". Turn right down "Byway" and follow lane 400m before turning left through white gates of Darshams Farm. Proceed straight down our driveway and follow signs to loading bay.
